

# Appendix for .IE

This appendix only concerns the registration and administration of domain names with the ending .IE

## **Preliminary Remark:**

HEXONET GmbH through its subsidiary 1API GmbH is a partner registrar of IEDR for the TLD .IE

RSP and HEXONET GmbH agree that RSP can register, renew, transfer and administer domain names under .IE for his customers through HEXONET GmbH

The following paragraphs apply:

## **§ 1. Registration Requirements**

All partner registrars and resellers of TLDs provided by IEDR domain names are committed to these terms and conditions. Each customer who registers a domain name has to accept the following terms

and conditions. RSP is committed to bind his customers according to these regulations.

Policies for .IE, currently available under:

=><https://www.weare.ie/our-policies/>

The general terms and conditions and domain registration policies of 1API GmbH also apply:

=> <https://www.1api.net/legal/gtld-domain-registration-policy>

=> <https://www.1api.net/legal/terms-of-service>

## **§ 2. Domain-Name Dispute Resolution**

Disputes regarding domain names can be solved through the Complaint Resolution Service by

=><https://www.icann.org/resources/agreement/quest-2015-03-26-en>

The registry has adopted the Uniform Domain Name Dispute Resolution Policy established by ICANN

and encourages third parties to resolve disputes with registrants through the process described in the Uniform Domain Name Dispute Resolution Policy.

=><http://www.icann.org/en/help/dndr/udrp/policy>

The Uniform Rapid Suspension System also applies:

=><http://newgtlds.icann.org/en/applicants/urs>

## **§ 3. Transfer of Domain-Names Transfer Policy**

In order to transfer a domain, the RSP of the customer must provide evidence of permission, either through the client directly or through an administrative contact. RSP will support HEXONET GmbH with

the registrar-transfer either to or from HEXONET GmbH upon requirement, according to the Transfer-Policies of IEDR and ICANN.

#### **§ 4. Duration**

The registration or renewal of registration can take place for time periods between 1 and 10 years, in annual steps.

#### **§ 5. Fees**

RSP will ensure through its Registration Agreement that the registrants acknowledge and agree, that domain names may be variably priced under .IE. This may also apply to transfers and renewals. The prices of a standard registration and included services can be viewed directly through the WebInterface under the respective Top-Level-Domain. Premium prices will be provided upon request.

All costs will be charged in USD, meaning that when registering a Domain we will automatically exchange the respective fee into USD according to the daily exchange rate of the European Central Bank

(ECB)

V.A.T. only applies to RSPs who have their corporate office in Germany or to RSPs within the European Union, who do not possess a valid V.A.T. ID. The V.A.T. Is not applicable to RSPs outside the European Union.

Individual pricing agreements, especially generalized pricing schedules that have been agreed upon prior to the availability of this TLD do not apply to the TLD(s) under this appendix. Only the prices listed in the account or individually agreed upon prices that explicitly refer to this/these TLD(s) apply

#### **§ 6. Indemnification**

RSP will ensure through its Registration Agreement that the registrants indemnify, defend and hold harmless IEDR and its subcontractors, and also the directors, officers, employees, affiliates and agents of each of them, from and against any and all claims, damages, liabilities, costs and expenses, including reasonable legal fees and expenses, arising out of or relating to the Registered Name. This indemnification obligation survives the termination or expiration of the registration agreement.
